Building Rotunda – 208 East Bayfront Parkway, Erie, PA 16507

NFIB invites you to a Small Business Roundtable with Special guest, Congressman Phil English (PA-3) to discuss issues of critical importance to small business including:

- ✓ Improving access to quality, affordable health insurance
- ✓ Simplifying the code and reducing taxes
- ✓ Securing a comprehensive approach to reducing energy costs
- ✓ Easing the burden of excessive regulations and intrusive laws

According to NFIB's *Problems and Priorities*, healthcare remains the no. 1 concern for small business owners. As an original sponsor of The Small Business Health Options Program (SHOP) Act, Congressman English will discuss how this plan can make health insurance more affordable, predictable and accessible for small business and the self-employed.
