

# COVID-19 MITIGATION PROCEDURES & EFFORTS

**Wednesday, October 13 • Bayfront Convention Center  
Morning Program: 8 a.m. - 12:30 p.m.**

*The health and safety of our guests, volunteers and employees are of the utmost importance. We continue to follow and monitor guidelines and protocols provided by the CDC, as well as state and local health officials.*

- Per PA state guidelines as it relates to schools, everyone within the facility will be wearing masks (except when eating and drinking).
- Social Distancing will be followed to the greatest extent feasible.
- Hand-sanitizing stations will be strategically distributed throughout the Bayfront Convention Center (BCC).
- Lunch will be set up as a “grab-and-go” approach as in prior years, with ample areas and space for our guests to safely eat their meals.
- We will continue to work with school administrators and the BCC team to ensure we are following state and CDC guidelines.

It is important that all school representatives, students, staff and exhibitors assist with reminding and supporting our agreed upon mitigation efforts throughout our special morning together.
